

Executive Committee Declares Pupils Must Attend Schools To Which They Have Been Assigned

School children within the Gettysburg joint school system must attend the school to which they are assigned by their local school board.

That decision was reached Monday evening by the executive committee of the joint school board at a meeting in the office of the borough superintendent of schools, at the local high school.

The policy-making resolution came before the committee as it sought an answer to problems posed by a resident in the Grandview Terrace section of Cumberland township.

Emory A. Fox asked the executive committee to read a petition made to the Cumberland board asking that Boyd's school be closed and the children transported to Gettysburg schools. The petition was signed by 36 persons who said they either had children in the school or would have children there in the future.

20 Attend School

Discussion by the executive committee revealed that such a move could not be contemplated at the present time. At present there are two children in the first grade, four in the second, nine in the third and five in the fourth grade at the school.

Dr. Lloyd C. Keefeauver, superintendent of the Gettysburg schools, said, "Too many things have been started in the schools. The children would lose too much if they were to be moved this year."

He and members of the executive committee also pointed out the virtual impossibility of fitting the youngsters into already overcrowded grades in Gettysburg.

A check of the 36 signatures indicated that only three families who have children in the school had signed the petition. All others were signatures of persons who have no connection with the school.

Boyd's To Remain

Members of the committee said that of all schools in Cumberland township, the one least likely to be closed first would be Boyd's.

If there was room available in Gettysburg schools, Greenmount would be closed, the directors pointed out. Children attending the Boyd school have but a short distance to the school in comparison to children attending others, the board said. At Greenmount some children ride buses more than an hour, while at Boyd's the longest trip is less than a half hour, members of the Cumberland board said.

Offers To Pay Tuition

This led to the problem posed by Dr. C. H. Heldt, who moved this summer to the Boyd School section of Cumberland township, but who has been sending his son to the Gettysburg schools.

Doctor Heldt is willing to transport the youngster himself and pay tuition to have him attend the Gettysburg schools. Dr. Keefeauver said in presenting the matter to the executive committee of the joint board.

A report by Cumberland representatives that the Cumberland board had voted unanimously that the Heldt youngster should attend the Boyd school "settled the matter" according to the opinion of the executive committee members. They pointed out that all assignment of pupils should be made by their local school boards.

Doctor Keefeauver was directed to send a registered letter to Doctor Heldt citing the action of the board and informing him that if the youngster did not start attendance at Boyd school he would be listed as absent from school.

Asks Policy Resolutions

Since Gettysburg, prior to the jointure, had accepted students from other districts on payment of tuition by parents, Doctor Keefeauver asked for a policy resolution, and the executive committee passed the resolution which would prevent any other school within the jointure from accepting a student for another district of the jointure without the student's local school board's consent.

The question of converting the heating system at the Gettysburg high school to oil was discussed.

Excavation for the addition to the high school had left a space large enough for oil tanks, Keefeauver said, adding that if the board decided to convert to oil the tanks could be installed now.

Arthur R. Buehler, Melvin J. Kane and Dr. Ralph D. Wickerham were named as a committee to meet Thursday night at the high school to study the question of conversion.

The question of whether the gymnasium roof at the high school needs repairs or whether a new roof should be placed there was referred to the property committee.

The committee said that the proposed constitution and bylaws while embodying many of the provisions of the present rules and regulations, will also incorporate several new features and changes, notably in the election and terms of officers.

SAYS PUBLIC IS NOT EDUCATED TO AIMS OF CHEST

Gettysburg's Community Chest would like to include additional charitable organizations — but so far it has been unable to educate borough residents that it is a drive to support more than one organization, Attorney Donald M. Swope, chairman of this year's Community Chest fund campaign, told the Rotary club Monday evening at its meeting in the YWCA.

"The people apparently have set a pattern of support and it is almost impossible to obtain more than that amount," Attorney Swope declared. "Last year we asked a ten percent increase. The clubs responded but the individuals did not."

Can't Enlarge Chest

"As a result we are fearful of admitting more than the six organizations now members of the chest. Most of our donors seem to think of the Community Chest as a drive for just one organization, not realizing that it is actually a drive for funds for six organizations. As a result most donors give what they can afford at the moment, without utilizing the pledge system."

"The Community Chest has carried out at least one part of its purpose very well. We started the chest to reduce the number of campaigns for funds in the borough, and we did cut the number of campaigns by five — but there are at least 11 other campaigns during the year."

"However, if the Community Chest did not exist there would be five additional campaigns, so we have at least helped that much."

Attain One Objective

"The second objective of the chest, its social planning purpose, has worked well. Through the social planning committee's work, the chest can check against duplication

Here And There

One of the largest and finest organizations in Adams county devoted exclusively to doing "good deeds for others" will present its annual card party and dance Thursday afternoon and evening at the Moose home. It is the Woman's Auxiliary of the Annie M. Warner hospital.

Everything conceived and accomplished by the women of this fine organization is centered around the patients at the Warner hospital. They have no other concern than to improve the facilities of the local hospital for the cure and comfort of those who are so unfortunate as to require medical attention and hospital service.

What greater good can an organization do?

Every member of the organization has one objective in mind. Officers devote a great portion of their leisure time to the Auxiliary and all serve without remuneration. It is unthinkable! They wouldn't accept any pay if it was offered. They merely strive to raise funds to buy equipment and furnishings for the hospital that otherwise would be impossible to secure or would be considerably delayed because of lack of funds in the hospital treasury.

So this week's party is one of their major projects. They go "all out" to make this a tremendous success and Mrs. Joseph S. Heiney, chairman of the committee in charge, has been working diligently with her committee for several weeks to assure the success of the venture.

However, it cannot be too successful if you do not participate. It will be merely another party if the public fails to respond. This is an appeal, on behalf of the Auxiliary, to you and your friends to help make this benefit worthwhile. If you purchase a ticket for Thursday's party at \$1, or a sponsor ticket at \$5 or more you will be participating in a worthy cause.

The Auxiliary has raised and spent thousands of dollars for the Warner hospital. Since May, when a resume of Auxiliary expenditures was published, more than \$3,000 additional have been spent on worthwhile things for the hospital. They include:

New upholstered chairs that cost \$531.90.

Renovation of the hospital waiting room, chairs, lamps, tables and drapes, \$376.76.

Renovation of the 2nd floor kitchen, \$1,651.00.

Cycle curtains for the wards, \$525.00.

As soon as one project is completed the Auxiliary adopts another.

It is now seeking to raise \$961 to purchase an oxygen air pressure lock. This piece of equipment provides proper humidity, temperature and oxygen required.

80 LIONS TOUR PA. INDUSTRIAL SCHOOL MONDAY

Eighty Gettysburg Lions and their guests toured the Pennsylvania Industrial school at White Hill Monday evening after a roast beef dinner in the institution's dining room.

Conducted personally by Superintendent Arthur T. Prasse, the clubmen visited the hospital, one section of the living quarters, the craft shops, laundry, furniture factory, coffee roasting department, the barber shop and went to the auditorium for a brief concert by a chorus of 60 boys and saw eight rounds of boxing in the school's gymnasium.

In many of the sections of the school visited, boys were at work to show the guests how they learn useful trades during the average of 18 to 19 months each boy spends there. The craft shops, laundry and barber shop were staffed and the Lions had an opportunity to talk to the boys and the staff members in each department they inspected.

Hear 60-Voice Chorus

Staff members including David P. Snare, assistant superintendent, and Norman K. Morgan, director of education, were introduced by Superintendent Prasse at the dinner and accompanied the clubmen on their three-hour tour.

In the craft shops the Lions saw boys from 15 to 21 years of age working at crafts for which they had showed an interest or talent such as woodworking, leather working, ceramics, basketry and art work in watercolor and oils.

In the auditorium the clubmen applauded enthusiastically as the chorus of 60 youths sang "Onward Christian Soldiers," "More Power to America," "Stout-hearted Men" and

U.S. Cavalrymen Gain Mile In Korea; Destroyer Strikes Red Mine; 8 Yanks Killed; Note On Cease-Fire Talks Ready Tonight

Tokyo, Oct. 9 (AP)—The Reds will deliver a new message to the Allies tomorrow, presumably their latest word on reopening Korean truce talks.

Tonight they asked Allied liaison officers to pick up the message at Panmunjom, proposed new locale for the talks, at 8 a.m., Wednesday (6 p.m., EST, Tuesday).

That is only two hours before the time suggested by Gen. Matthew B. Ridgway for a meeting of liaison officers in the Panmunjom area to lay detailed plans for renewing cease-fire negotiations.

The Reds gave no indication of what the message would contain. They sent word of the message to Munsan, advance headquarters of the U. N. command armistice delegation, where reports circulated that there may be changes in the five-man Allied truce team.

Joy Ready To Leave

There had been no indication that top Red commanders had drafted their reply to Ridgway's message broadcast Monday night. In it he agreed to renew truce talks in the vicinity of Panmunjom, but declined to enlarge the neutral zone as the Communists wanted.

Ridgway also suggested the preparatory Wednesday session of liaison officers.

They met briefly in fog-blanketed Panmunjom Tuesday morning when Allied officers delivered Ridgway's message accepting the vicinity of that Red check point as a site for resuming negotiations which the Communists broke off August 23 at Kaesong.

Vice Admiral C. Turner Joy, head of the U. N. delegation, was reported preparing to leave Tokyo shortly for his advance headquarters in Korea to be ready to reopen negotiations.

Dean, who toured the test center yesterday, wouldn't say when the first blast will come.

Given School Paper
In the modernly-equipped furniture factory the Lions saw assembly lines on which furniture is made, for tax-supported institutions in the state and then went into the coffee-roasting building where all coffee for all state institutions in Pennsylvania is roasted at the rate of nearly 100,000 pounds per month.

As they began their tour, the Lions were given copies of the current issue of the school paper, "Headliner," and were told of other parts of the 600-acre school establishment that includes a print shop where the school paper is printed; dairy barns and the several hundred acres of farm and woodland.

1,133 Boys There
Superintendent Prasse said Monday's population at the school was 1,133 with boys arriving and leaving almost daily.

At the dinner session, President Fred E. Faber asked the Lions to meet at 1:45 p.m. Wednesday at the Bender funeral home to attend services for Milton R. Remmel, former club president. Doctor Keefeauver reported that he had been informed the state will make a reimbursement payment this month to the fourth class school districts, basing the amount on last year's figures. Up to the present a number of changes in reimbursement are before the state Legislature and there had been a question whether any checks could be issued. Adjustment in accordance with whatever the Legislature decides will be made on the reimbursement in March, Keefeauver said.

The matter of school bus stop signs was discussed.

Constable Leo Riley, of Cumberland township, was appointed attendance officer for the joint district at a salary of \$75 per year.

The report on the activities fund of the high school showed it began September with a balance of \$3,875.41. Deposits totaled \$6,774.75 and withdrawals, \$3,173.25 leaving a balance at the end of the month of \$7,476.92.

The financial report of the joint district prepared by the First National bank of Gettysburg, treasurer, showed income of \$46,187.40 including a balance of \$5,138.40 and tuition of \$41,090. Self Appointed "Cop" Is Jailed Saturday

Traffic was being directed at Chambersburg and Washington streets Saturday night, but it wasn't by a borough police officer.

Michael Whalen, 50, of Ardmore, Pa., missed his bus at the Greyhound station. Police said he proceeded to imitate a few, and then missed another bus.

This was the time he picked to take over the traffic cop's job, maybe in the hope of stopping another bus, and eventually getting home.

But borough police didn't like the impersonation and took him to jail on a disorderly conduct charge. He was released Sunday upon furnishing \$10 and costs for appearance before Justice of the Peace John H. Baschore today. He forfeited the bail.

A recital was presented by Mrs. Charles Hesson, vocalist, and Mrs. S. Donald Michael, church organist. Mrs. Michael used the traditional wedding marches for the processional and recessional.

Following a reception at the home of the bride's parents, the couple left on a trip to an unannounced destination.

The bride was graduated from New Oxford high school this year. The bridegroom was graduated from Gettysburg high school with the class of 1949. They will reside in Augusta, Ga., upon expiration of the bridegroom's furlough.

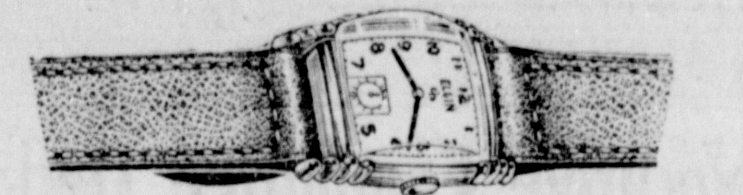

Root Beer Barrel Ditched On Sunday

It will be some time before any more cooling, liquid refreshment flows from a large root beer barrel of the type usually found at fairs which was ditched Sunday morning on the Emmitsburg road a mile and a half south of Gettysburg.

State police thus far have been unable to find the owner. Swope's service station's tow car picked up the remnants of the barrel.

Police said the trailer on which the barrel was mounted apparently became unhooked from the car or truck which was towing it. The barrel fell apart when the tow car attempted to put the trailer out of the ditch.

YANK BATTERS EVEN SERIES AT TWO ALL; LOPAT, JANSEN TODAY

By JACK HAND

New York, Oct. 9 (AP)—Joe DiMaggio's revival aroused New York Yankees today as lefty Ed Lopat, 21-9, faced the Giants' Larry Jansen (21-11) in the fifth World Series game at the Polo Grounds.

AL Square with two wins each after Alvin Reynolds' 6-2 conquest of the Giants' Sal Maglie yesterday, the clubs were ready for a rematch of Friday's duel.

DiMaggio, swinging from a new stance after three hitless games renewed the pride of the Yanks with his two-run homer and single of Maglie.

Hit Like Chamos

For the first time in weeks, the Yanks hit like the club that fought off Cleveland and Boston to win the American League pennant. And they did it against the Giants' best.

Public sympathy rained on the 36-year-old DiMaggio in the first three games of his 10th — and probably last — series. He didn't have a hit, hadn't hit a ball hard in 11 trips.

You noted the difference the first time he faced Maglie. First a curved strike. Then three balls. A vicious foul line off the upper deck that missed being a homer by four feet. Another foul line. And three more fouls before he looked too long at a curved third strike.

Yankee Bats Effective

After the game and his 350-foot homer with Yogi Berra on base in the fifth, he said he "liked" that first foul line best of all. It was the first hint that the Jolter was was back on the beam.

It is difficult to overestimate the emotional life DiMaggio can give the Yanks. Or vice versa. With the "big fellow" slugging slumping Berra started to hit the ball on the nose. Yogi hammered two liners at outfielders before he got his lone hit.

Bobby Brown came up with two hits and Hank Bauer broke his hitless slump, even though one was a ball that hit base runner Gil McDermott for an automatic hit and automatic out.

Giants Threat In 9th

With this solid cacking of 12 hits Reynolds was a different pitcher from the fellow who lost the opening game. The sturdy Indian from Oklahoma had a zinging fast ball and sharp curve that piled up seven strikeouts. Twice he simply blew the ball past a wildly waving Wes Westrum.

Al Daker, who hit him for a three-run homer in the opener, slammed three successive doubles to left field. The first meant a run when Monte Irvin poked a single to left. But the others meant only men left on base.

Alkie had a rocky ninth that prompted manager Casey Stengel to start Johnny Sain and Bob Kuzava throwing madly in the bullpen. A walk to Hank Thompson, Irvin's ninth hit of the series and Bobby Thomson's single produced a run.

Crucial Game Today

Then Willie Mays rapped into his third double play — tying a record he would like to forget. Reynolds was home free.

The Lopat-Jansen battle in the fifth game shapes up as the best of the series. Although steady Eddie beat Jansen, 3-1, in the second game, Larry reared 13 men in succession after early inning trouble.

And the Yanks' chunky "nothing ball" pitcher gave up only five hits.

The winner of today's game will be in the driver's seat. If the Yanks win Stengel could gamble on his sixth game with Tom Morgan or Johnny Sain and still have Vic Raschi and Reynolds for the seventh. If the Giants win, Leo Durocher can try to get home with Dave Kono and save up Jim Hearn and Maglie for the finale.

Maglie worked only five innings yesterday and should be ready if needed for a seventh game. The Barber didn't have his stuff in his first series appearance. He threw 25 pitches in the first inning although the Yanks had only one baserunner.

GIANTS' SHARE
TO SET RECORD

New York, Oct. 9 (AP)—Win or lose, the New York Giants will set new player payoff records for the World Series.

Although not official until announced by Commissioner Ford Frick it was learned today the Giants voted to split their share of the series players' purse into 31 shares. That means each share will net \$7,594.71 if the Giants win. If they lose to the Yankees each share will be worth \$5,192.17.

The Yankees, spreading their money around more, voted to split into 36 shares. A winning share will return \$6,539.89 and a losing one \$4,359.65.

The Cleveland Indians received the previous largest winning amount in 1948 when each share paid \$6,772.05. In 1941, the Brooklyn Dodgers set the losers' record of \$4,829.40 a share.

Yesterday's game was the last in which the players share. The players' pool reached \$560,562.37, topping the high set in 1948 by some \$12,000.

The competing teams received 70

CHARLES READY
FOR REX LAYNE

Pittsburgh, Oct. 9 (AP)—Ezzard Charles, ex-heavyweight champion who wants the crown back, and Rex Layne, who just wants it, ended training today for a 12-round bout tomorrow night at Forbes Field that will do a lot for the winner's prestige if nothing else. The fight will be televised.

Charles finished up the heavy work yesterday with four fast rounds and his trainers smiled and said: "The boy's razor sharp."

Charles said he is in much better physical condition than when he dropped the crown to Jersey Joe Walcott in Pittsburgh July 18.

Layne, a young hopeful from Salt Lake City punches with his sparring partners for two rounds and then told his audience:

"I wish I was climbing through the ropes at Forbes Field right now."

Both fighters put the finishing touches on training this morning with some light calisthenics and a few rounds with the punching bag. Then they retired to await the weighing-in ceremonies tomorrow.

Both previously have talked of a win by the knockout route.

SPARTANS HOLD TOP POSITION IN GRID POLE

By ORLO ROBERTSON

New York, Oct. 9 (AP)—Michigan State still rates as the No. 1 college football team in the country today but not by any great margin.

The Associated Press' second weekly nation wide poll of the season gave Coach Biggie Munn's Spartans from East Lansing a 10-point edge on California's Golden Bears, with Tennessee's Vols not far back in third place.

Michigan State was ranked first by 42 of the 112 writers and broadcasters participating in the poll and received a total of 971 points on the basis of 10 points for first, nine for second and so on.

California was No. 1 on 36 ballots and received strong support for other high positions to roll up 961 points. Tennessee, the pre-season No. 1 eleven, received 821 tallies, with 180 of them coming from 18 first-place selections.

The top three teams were in the same order in the first poll last week but Michigan State held a much larger lead while Tennessee pressed the Bears for runner-up honors.

Bears Gain Backing

The voters apparently thought more of California's 55-14 conquest of Minnesota than Michigan State's come-from-behind 24-29 triumph of Ohio State and Tennessee's 26-0 white wash of Duke.

Oklahoma's 14-7 setback by Texas Aggies was disastrous to the Sooners so far as the poll is concerned. Last year's No. 1 team dropped from the lofty fourth spot of last week to 11th with only 102 votes.

The Texas Aggies replaced the Sooners as No. 4, moving up from the bottom rung in the first ten.

Notre Dame, 40-6 victor over Detroit in the Irish's first archrival game Friday night, remained at No. 5, as did Texas in No. 6, Illinois, however, moved up from eighth to seventh without getting a first place vote. Ohio State, dropped from seventh to ninth, was the only other member of the select group which failed to command at least one vote for the lead-off spot.

The poll participants liked Georgia Tech's 13-7 conquest of Kentucky and moved the Engineers into eighth. Maryland dropped a notch, from ninth to tenth.

Blames His Financial Ills On Martin, Duff

Harrisburg, Oct. 9 (AP)—Gov. John

S. Fine says the commonwealth's

financial dilemma should be blamed

on the administrations of former

Governors Edward Martin and

James H. Duff.

Fine took that position Saturday

in an address to the Pennsylvania

Legislature. He said newspapers have

been unwise that he inherited big

debts like the \$440,000,000 veterans'

bonus and mandated teachers salary

increase.

"There were some publications

that glossed over the actual fact

that previous administrations had

left on my doorstep legislation

which presented bills which de-

manded payment," he said.

"Some even glossed over the fact

that a grateful commonwealth pro-

vided our veterans with a generous

"bonus" he added. "But for some

reason or other they chose to ignore

the fact that in granting that

bonus provision had not been

made for its payment. Provid-

ing payment was left up to me."

YANK BATTERS EVEN SERIES AT TWO ALL; LOPAT, JANSEN TODAY

By JACK HAND

New York, Oct. 9 (AP) — Joe DiMaggio's revival aroused New York Yankee hopes today as lefty Ed Lopat (21-9) faced the Giants' Larry Jansen (23-11) in the fifth World Series game at the Polo Grounds.

All square with two wins each after Allie Reynolds' 6-2 conquest of the Giants' Sal Maglie yesterday, the clubs were ready for a rematch of Friday's duel.

DiMaggio, swinging from a new stance after three hitless games, renewed the pride of the Yanks with his two-run homer and single off Maglie.

Hit Like Champs

For the first time in weeks, the Yanks hit like the club that fought off Cleveland and Boston to win the American league pennant. And they did it against the Giants' best.

Public sympathy rained on the 36-year-old DiMaggio in the first three games of his 10th — and probably last — series. He didn't have a hit ... hadn't hit a ball hard in 11 trips.

You noted the difference the first time he faced Maglie. First a curved strike. Then three balls. A vicious foul liner off the upper deck that missed being a homer by four feet. Another foul liner. And three more fouls, before he looked too long at a curved third strike.

Yankee Bats Effective

After the game and his 350-foot homer with Yogi Berra on base in the fifth, he said he "liked" that first foul liner best of all. It was the first hint that the Jolter was was back on the beam.

It is difficult to overestimate the emotional life DiMaggio can give the Yanks. Or vice versa. With "the big fellow" slashing, slumping Berra started to hit the ball on the nose. Yogi hammered two liners at outfielders before he got his lone hit. Bobby Brown came up with two hits and Hank Bauer broke his hitless slump, even through one was a ball that hit base runner Gil McDougald for an automatic hit and automatic out.

Giant Threat In 9th

With this solid backing of 12 hits, Reynolds was a different pitcher from the fellow who lost the opening game. The sturdy Indian from Oklahoma had a zinging fast ball and sharp curve that piled up seven strikeouts. Twice he simply blew the ball past a wildly-waving Wes Westrum.

Al Dark, who hit him for a three-run homer in the opener, slammed three successive doubles to left field. The first meant a run when Monte Irvin poked a single to left. But the others meant only men left on base.

Allie had a rocky ninth that prompted manager Casey Stengel to start Johnny Sain and Bob Kuzava throwing madly in the bullpen. A walk to Hank Thompson, Irvin's ninth hit of the series and Bobby Thomson's single produced a run.

Crucial Game Today

Then Willie Mays rapped into his third double play — tying a record he would like to forget. Reynolds was home free.

The Lopat-Jansen battle in the fifth game shapes up as the best of the series. Although steady Eddie beat Jansen, 3-1, in the second game, Larry retired 13 men in succession after early inning trouble. And the Yanks' chunky "nothing ball" pitcher gave up only five hits.

The winner of today's game will be in the driver's seat. If the Yanks win, Stengel could gamble on his sixth game with Tom Morgan or Johnny Sain and still have Vic Raschi and Reynolds for the seventh. If the Giants win, Leo Durocher can try to get home with Dave Koslo again and save up Jim Hearn and Maglie for the finale.

Maglie worked only five innings yesterday and should be ready if needed for a seventh game. The Barber didn't have his stuff in his first series appearance. He threw 25 pitches in the first inning although the Yanks had only one baserunner.

GIANTS' SHARE TO SET RECORD

New York, Oct. 9 (AP) — Win or lose, the New York Giants will set new player payoff records for the World Series.

Although not official until announced by Commissioner Ford Frick it was learned today the Giants voted to split their share of the series players' purse into 31 shares. That means each share will net \$7,594.71 if the Giants win. If they lose to the Yankees each share will be worth \$5,192.17.

The Yankees, spreading their money around more, voted to split into 36 shares. A winning share will return \$6,539.89 and a losing one \$4,359.65.

The Cleveland Indians received the previous largest winning amount in 1948 when each share paid \$6,772.05. In 1941, the Brooklyn Dodgers set the losers' record of \$4,829.40 a share.

Yesterday's game was the last in which the players share. The players' pool reached \$560,562.37, topping the high set in 1948 by some \$12,000. The competing teams received 70

CHARLES READY FOR REX LAYNE

Pittsburgh, Oct. 9 (AP) — Ezzard Charles, ex-heavyweight champion who wants the crown back, and Rex Layne, who just wants it, ended training today for a 12-round bout tomorrow night at Forbes Field that will do a lot for the winner's prestige if nothing else. The fight will be televised.

Charles finished up the heavy work yesterday with four fast rounds and his trainers smiled and said: "The boy's razor sharp."

Charles said he is in much better physical condition than when he dropped the crown to Jersey Joe Walcott in Pittsburgh July 18.

Layne, a young hopeful from Salt Lake City punches with his sparing partners for two rounds and then told his audience:

"I wish I was climbing through the ropes at Forbes Field right now."

Both fighters put the finishing touches on training this morning with some light calisthenics and a few rounds with the punching bag. Then they retired to await the weighing-in ceremonies tomorrow.

Both previously have talked of a win by the knockout route.

SPARTANS HOLD TOP POSITION IN GRID POLE

By ORLO ROBERTSON

New York, Oct. 9 (AP) — Michigan State still rates as the No. 1 college football team in the country today but not by any great margin.

The Associated Press' second weekly nation wide poll of the season gave Coach Biggie Munn's Spartans from East Lansing a 10-point edge on California's Golden Bears, with Tennessee's Vols not far back in third place.

Michigan State was ranked first by 42 of the 112 writers and broadcasters participating in the poll and received a total of 971 points on the basis of 10 points for first, nine for second and so on.

California was No. 1 on 36 ballots and received strong support for other high positions to roll up 961 points. Tennessee, the pre-season No. 1 eleven, received 821 tallies, with 180 of them coming from 18 first-place selections.

The top three teams were in the same order in the first poll last week but Michigan State held a much larger lead while Tennessee pressed the Bears for runner-up honors.

Bears Gain Backing

The voters apparently thought more of California's 55-14 conquest of Minnesota than Michigan State's come-from-behind 24-20 triumph of Ohio State and Tennessee's 26-0 white wash of Duke.

Oklahoma's 14-7 setback by Texas Aggies was disastrous to the Sooners in so far as the poll is concerned. Last year's No. 1 team dropped from the lofty fourth spot of last week to 11th with only 102 votes.

The Texas Aggies replaced the Sooners as No. 4, moving up from the bottom rung in the first ten.

Notre Dame, 40-6 victor over Detroit in the Irish's first allright game Friday night, remained at No. 5, as did Texas in No. 6. Illinois, however, moved up from eighth to seventh without getting a first place vote. Ohio State, dropped from seventh to ninth, was the only other member of the select group which failed to command at least one vote for the lead-off spot.

The poll participants liked Georgia Tech's 13-7 conquest of Kentucky and moved the Engineers into eighth. Maryland dropped a notch, from ninth to tenth.

Blames His Financial Ills On Martin, Duff

Harrisburg, Oct. 9 (AP) — Gov. John S. Fine says the commonwealth's financial dilemma should be blamed on the administrations of former Governors Edward Martin and James H. Duff.

Fine took that position Saturday night in an address to the Pennsylvania Newspaper Publishers' association. He said newspapers have been unaware that he inherited big debts like the \$440,000,000 veterans' bonus and mandated teachers salary increase.

"There were some publications that glossed over the actual fact that previous administrations had left on my doorstep legislation which presented bills which de-

manded payment," he said. "Some even glossed over the fact that a grateful commonwealth provided our veterans with a generous bonus," he added. "But for some reason or other they chose to ignore the fact that in granting that bonus provision had not been made for its payment. Providing payment was left up to me."

Announcement of the prizes to be awarded will be made later.

Local public schools will be closed all day Friday to permit members of the teaching staffs to attend the PSEA institute at York.

Slain Britisher Is Buried Monday

Singapore, Oct. 9 (AP) — British High Commissioner Sir Henry Gurney, slain by Communists on a jungle road, was buried Monday at Malaya's Red with renewed fury.

In Kuala Lumpur thousands of the peninsula's Chinese, Indians, Malays, Eurasians, and Europeans watched in silence as Sir Henry's body was carried to a grave beside those of planters, miners and police who also died at the hand of Communist terrorists in the jungles.

Five and a half companies of British and Gurkha troops meanwhile sought the Communist band which ambushed the 53-year-old Gurney and his wife Saturday north of Kuala Lumpur as they drove with a escort to a hill resort

for a week-end rest. The air force made intensive air strikes in the area.

Michael Hogan, temporarily administering Malaya's government, said the war on the Red terrorists would be pressed with increased bitterness and intensity.

HEAVY SPORTS SCHEDULE FOR COUNTY TEAMS

One of the heaviest programs of football games for the season is listed this week for Adams county scholastic teams, and Gettysburg college, there being a total of 10 games.

Undeafed Gettysburg high journeys to Waynesboro for a South Penn conference game Friday night. Coaches Howard Shoemaker and Ross Sachs will strive to impress upon their charges this week the growing importance of every game to the Warriors in their battle for their first loop title in 20 years.

Gettysburg college will take on an old rival here next Saturday when the Lehigh Engineers will be met. Despite a lop-sided defeat at the hands of unbeaten Bucknell, the Engineers will rule the favorite for the game.

Opening the week's program of grid tussles will be the clash today at 3:30 between the Paradise Protectors and Biglerville high jayvees at Biglerville.

Here Wednesday Night

The Gettysburg junior high team opens its campaign with Bolling Springs here Wednesday evening at 7:30.

Thursday at 3:30 the Gettysburg high jayvees will engage in their lone game of the season by being host to Hanover's reserves. Thursday night the Biglerville and Delone junior high teams play at Biglerville.

In addition to the Gettysburg-Waynesboro game carded for Friday, Westminster will play at Lititz town and Carson Long Institute at Delone Catholic.

Saturday's program calls for unbeaten Washington Township at York Springs in a Laurel conference game and Biglerville at West York in a Conference of the Roses contest.

Rounding out the sports calendar are two soccer matches for the Gettysburg college booters, Lehigh here today and John Hopkins, also here, on Friday.

CHANGE TV RULE

New York, Oct. 9 (AP) — Major league baseball owners Monday repealed present restrictions on the broadcasting and televising of baseball games and returned full authority to the individual clubs. They had been under league control.

for a week-end rest. The air force made intensive air strikes in the area.

Michael Hogan, temporarily administering Malaya's government, said the war on the Red terrorists would be pressed with increased bitterness and intensity.

Today's Talk

By GEORGE MATTHEW ADAMS

MAGIC IN BELIEVING

People rise in the world the mo-
ment they begin to believe in them-
selves, or in the object of their
dreams. The greatness of Lincoln
was largely responsible for his be-
lief in people, in their good inten-
tions, and their common humanity.

If you believe in the good inten-
tions of your friend, you do not
doubt his sincerity or his purpose.
You can easily reject, or dismiss,
many of the weaknesses to which we
are all heir. There is magic in be-
lieving! I like to believe in people
and I like people to believe in me.
We believe in the engineer of a
train when we pay our passage and
board that train, and think nothing
of it, but if we didn't we would not
take that or any other train.

When I had finished college and
gone to the big city of Chicago to
carve out my "fortune," one of my
first jobs was distributing hand
bills at a dollar a day. I shall never
forget the thrill I received upon
finishing my job and going to the
one who engaged me for that dollar
when he took my hand and said:
"Adams, we believe in you." I knew
then I was to be a success, for if
people believe in you there can be
no failure.

Magic is believing! In anything.
Place it where you will, it always
works. If you believe in a leader,
we follow him. The magic of Chris-
tianity lies in our belief in it. This
is true of every great movement.
Our belief in a person inspires be-
lief in himself.

The salesman who believes in the
product he sells creates belief in it
on the part of the one whom he
hopes to sell. The successful sales-
man knows this magic of believing,
as every successful one does, and
every time he triumphs this is em-
phasized.

You respect that one in whom you
believe. No one can turn you from
him. In turn, that one does not
fail you. The moment you believe
in anything, that moment that
thing becomes alive, a part of you.
It is our beliefs that give us char-
acter and what happiness we have.
Without them we would founder as
a ship does with no rudder!

the subject: "Modern Miracles."

SALT AND A BIRD
"Put salt upon a birdie's tail"
(A method never known to fail)
"And you can catch him," I was
told

When I was only four years old.
Because my father told me so,
Outside with salt in hand I'd go
Only to find to my dismay
The birdie always flew away.

My children, as the years went
by,
The method tried, the same as I
But always as they closer drew
Away from them the robins flew.

Now little Terry, salt in hand,
As yet does not quite understand
Just why no pretty bird stays
still—
But in a year or so he will.

STASSENUNEASY ON STATE DEPT.

Washington, Oct. 9 (P)—Harold E.
Stassen contended Monday the re-
cord makes it plain the State depart-
ment played a part in undermining
the Chinese Nationalists, and con-
tradicts denials by Secretary Acheson
and Ambassador Philip C. Jessup.

Testifying before a Senate Foreign
Relations subcommittee, Stassen
said:
"The denials by the State depart-
ment of things which I know are
true, the claims by the State depart-
ment of things I know are not true,
leave me very uneasy and disturbed
with regard to our country's future
policy."

The Senate group is considering
Jessup's nomination to be a delegate
to the coming United Nations gen-
eral assembly meeting in Paris. He
is now an ambassador-at-large, a
post in which he represents this
country on many special occasions.
Stassen, former Republican gov-
ernor of Minnesota and new presi-
dent of the University of Pennsyl-
vania, testified last week on the Jes-
sup nomination.

He said then that the late Sen-
ator Arthur Vandenberg (R.-Mich.)
told him that Acheson and Jessup
plugged at a secret White House
meeting in 1949 for a cut-off of aid
to Nationalist China. As a follow-up
to this testimony, excerpts from Van-

CAREFULNESS prevents FIRE INSURANCE prevents LOSS

You can lessen the possibility of fire by developing the "carefulness" habit. Littlestown

FOUR ARRESTED
IN THEFTS FROM
JUNK DEALERS

Littlestown Chief of Police Albert H. Miller, Jr., had a busy day on Monday. In the morning he received a complaint from Cookson Brothers, local plumbers, that cast iron and gas heaters had been removed from their discard pile at the rear of their business establishment at 17 M street. The registration numbers of the stolen articles were learned and these numbers were given by Chief Miller to nearby junk dealers.

Later that day, Blair Brothers, junk dealers in Hanover, notified Mr. Miller concerning the stolen articles. The chief then arrested the following in the case: Richard P. Kress, 27, 28½ Lumber street, Littlestown, arrested at 4:10 p.m., Monday; his

wife, Mrs. Mary Chingan Kress, 21, same address, arrested at 6:30 p.m.; Bradley F. Morelock, 20, 104 North Queen street, Littlestown, and his wife, Mrs. Anna Mae Kress Morelock, 19, same address, at 5:30 p.m. They all signed a plea of guilty when they appeared before Justice of the Peace Loy F. Lindaman. Cookson Brothers decided to drop the charges if the defendants paid the costs and made restitution.

Robert E. Shultz, 18, 17 Allegheny avenue, Hanover, was arrested on a charge of disorderly conduct. He was picked up on a warrant by the Hanover police for Chief of Police Miller, who arrested him at 9:15 p.m. Monday evening. He was charged with assault and battery by Robert Rippeon, 320 East King street, Littlestown, on October 3. Shultz was also charged with a charge of operating a car without a driver's license since October 2.

On Saturday, Richard C. Mummet, 22½ Cemetery street, was arrested at 11:15 a.m., by Mr. Miller. He was charged with surety of the peace and assault and battery, by

his wife, Mrs. Leah Mae Crebbs Mummert.

Plan Halloween Party

It has been announced that the Hustlers' Sunday school class of Redeemer's Reformed church, taught by Theron W. Spangler, will hold a Halloween party in conjunction with the monthly meeting on next Monday evening at 7:30 p.m. in the social hall of the church. All class members are asked to come masked. The October entertainment and refreshment committee consists of Mrs. Robert H. Miller, chairman, Mrs. Melvin A. Miller and Mrs. Robert Myers.

Members of the Littlestown Brownie Girl Scout Troops No. 28 and 34 enjoyed a wiener roast and picnic luncheon on Monday evening at the Littlestown Fish and Game farm, Germany township, near town. The girls were accompanied by the following leaders of the troops, Mrs. Charles H. Fissel, Mrs. John C. Porry, Mrs. Ralph S. Snyder and Mrs. J. Harvey Pettyjohn. Geneva, Oct. 9 (AP)—A special three-member committee of the United Nations began here Monday an investigation of forced labor practices throughout the world.

The investigation was originally proposed by the American Federation of Labor in 1947. The United Nations economic and social council last month finally voted to proceed with the investigation after action on the proposal had been stalled for four years by Soviet delaying tactics.

Population of the Azores is about 500,000.
